

MAFI SERIES

GENERAL INFORMATION

Effekt:	15W																								
Farve temperatur:	2700 / 3000 / 4000K																								
Lumen:	1290lm																								
Armatør farve:	<input type="checkbox"/> H <input type="checkbox"/> S																								
Armatør materiale:	Aluminium																								
IP klasse:	20																								
Netfrekvens:	50/60Hz																								
Ra værdi:	90																								
Spænding:	220-240V																								
Power faktor:	PF>0.95 (min)																								
Dæmpbar:	1-10V / DALI																								
Brændetid:	50.000 timer																								
Størrelse (mm):	H:120 x Ø:85																								
Standardvinkel:	20°/40°
